## Please Note!

This list represents the varieties we have ready to wholesale at the present time. During the next few months we will be adding many other varieties that have grown to salable size. IF YOU DON'T SEE WHAT YOU WANT LISTED, ASK FOR IT.

Free delivery on our regular truck routes. Deliveries to other points may be arranged.

Our plants are guaranteed to pass inspection anywhere. We are a Pink Tag Nursery. Our plants, delivered within Los Angeles County, require no inspection at destination.

Prices subject to change at any time.

We exercise great care to see that plants are labeled true to name. We will replace any that are found to be mis-labeled but will not be liable for any amount in excess of the purchase price.
